LIFE AT SOUTHERN CROSS

SCU INTERNATIONAL

SCU International has a dedicated team committed to helping international students from application to acceptance and throughout your studies. We were ranked number one for international student support in Australia by the International Student Support Barometer, an independent benchmarking survey.

ORIENTATION

Orientation week is the first week before studies commence. It is designed to help students settle into their new environment and meet new friends. Orientation includes tours to Currumbin Wildlife Sanctuary where you can see Australian wildlife as well as other excursions to explore our local area.

COMMUNITY ENGAGEMENT

Students can volunteer with local community organisations including the Koala Hospital located on the Southern Cross University Lismore campus, or at local festivals.

EXPLORE AUSTRALIA

Part of your study abroad experience includes exploring all Australia has to offer. SCU International organises a range of trips, from camping adventures in the Australian outback to exploring World Heritage rainforests and waterfalls, or surf lessons at our beautiful local beaches. Trips are designed to discover the best of our country and build lasting relationships with your new classmates from around the world.

AMBASSADORS

Student ambassadors are carefully selected international students who work with our international student support team. Their role is to provide a point of contact for new students, having experienced the same challenges of living and studying in a new country. Ambassadors mentor students, organise and participate in events and coordinate volunteering. They provide invaluable support for international students coming into an unfamiliar environment, a new culture and language without the support of their families.

"Getting the chance to visit some of the most beautiful places in this wonderful country is only part of the adventure. When you arrive at Southern Cross University you fall in love with the stunning campus, seeing koalas and wallabies on the way to class is something that can only happen here."
