INTRODUCING YORK ST JOHN UNIVERSITY.

177 YEARS OF MODERN.

York St John University has been a leading education, training and research institution for over 177 years.

We stand for equality, ambition and social justice.

Founded in the heart of the historic city of York we serve a global campus of students who thrive on academic excellence, graduate employability and a strong sense of community.

York Business School have created a dynamic, contemporary and exciting home for business learning in London.

A home for business learning that will take you to the very heart of current business thinking. A place that will introduce you to the latest developments in business innovation, development and growth.

We are delighted to introduce you to York St John University's new campus, located at The Glasshouse in Islington, London.

With excellent transport links and within moments of the world-famous Barbican Centre, our new campus is based at the very heart of London's creative, technology and business creation ecosystem.

Our London campus is home to a suite of contemporary Masters courses designed to nurture the creative and business pioneers of the future.

Developed collaboratively with the support of industry experts, our new portfolio of MSc courses and Degree Apprenticeships is fresh, distinctive, cutting-edge and career-relevant. The courses are focused upon vibrant, distinctive and important subject areas and will enable students to develop career-enhancing knowledge, skills and expertise.
