A TRULY UNIQUE EXPERIENCE

Our students benefit from **Camosun’s applied programming**.

In addition to our exciting language and culture curriculum, CELA students will participate in an introduction to restaurant operations in the Dunlop House – our professional hospitality management learning facility – and will learn about 3D laser scanners in our state-of-the-art Interaction Lab.

CELA’s applied learning format broadens our students’ learning experience, while unlocking their creative and entrepreneurial thinking and enhancing their conversational English skills.

HOUSING

CELA students and teachers or guardians who accompany groups can apply for **Camosun Placement** or **arrange their own accommodation**.

Our **HOMESTAY PROGRAM***, where you **live with a local family**, is an excellent accommodation choice for CELA participants who want to maximize their intercultural experience. Homestay placements are limited, so **apply early**.

*Camosun International will make every effort to place participants through its Homestay program. However, Camosun homestay placements are limited. If we are not able to place you through our homestay program, we will help arrange a placement through our trusted partner Canada Homestay Network.

ARRIVAL AND DEPARTURE

All CELA participants (groups and individual applicants) **must** arrive **one day before** and leave Canada **one day after the scheduled CELA program dates**. Homestay placements are based on the scheduled program dates. If you choose to arrive or depart outside of these days, you are responsible for arranging your own accommodation.

All CELA participants must be at least 15 years old. If you are between the ages of 15 to 18, you are welcome to join CELA; however, we require that you identify a guardian who will be in Victoria during the time you are studying. This could be your accompanying teacher, chaperone, or family member.

CUSTOMIZED PROGRAMS

In addition to our popular CELA program, we may offer customized programming for groups of students who are interested in coming to Camosun on a study tour and teacher development for educators who would like a customized teacher training/faculty development program.
