## Why Dubai?

Just 50 years ago, Dubai was a small desert town. Today, it is a vibrant, futuristic city of over 3 million people from over 200 countries. Surrounded by sand dunes, and enjoying year-round sunshine, modern, cosmopolitan Dubai is edged by stunning beaches and warm waters on one side, and the picturesque, legendary Arabian desert on the other – take a morning desert safari in Dubai and catch the sun rising from the dunes, ride a camel, go ‘dune-bashing’, visit a traditional market (souk), go shopping in one of Dubai’s countless malls (Dubai Mall is the largest mall in the world), take in the view from the top of the Burj Khalifa (the world’s tallest building), or enjoy an exciting food and nightlife scene that rivals any great city in the world – from the street food of Palestine or Turkey to Michelin star restaurants and celebrity chefs – Dubai has it all.

As a tourist and transport hub, Dubai is also the perfect place for intrepid travellers to launch weekend trips and vacations in some of the world’s most iconic destinations –

- Drive across the border into stunning Oman for a taste of the old Arab world, scuba diving and luxury resorts.
- Be at Cairo and the Pyramids in 4 hours.
- Visit the ancient Roman ruins of Petra, Jordan.
- Sip traditional coffee and watch the world go by in a café in Beirut, Lebanon.
- Take in the wonders of the Hagia Sofia in Istanbul or the Old City of Jeddah, Saudi Arabia, or look further to Africa, India and all of Europe.

Arabic culture is deeply rooted in Dubai, but with the UAE being an expat nation, there is so much cultural diversity. Students can enjoy a cosmopolitan and international lifestyle in Dubai, with plenty of opportunities to interact with people from diverse nationalities and cultural backgrounds.

## About Murdoch University Dubai

Murdoch University Dubai is a core branch campus of Murdoch University, which is based in Perth, Western Australia. Our new vibrant, purpose-built campus in Dubai Knowledge Park (opening May 2020) caters for the region’s growing demand for skilled professionals across a range of industries. All courses follow the same academic requirements as the courses offered in Australia, taught by highly qualified international lecturers. The degrees awarded are issued from Australia and are exactly the same as the ones conferred on campus in Australia.

Our flexible learning options are tailored to allow you to design your course of study in accordance with your own personal requirements. At Murdoch, we are proud to have internationally qualified faculty teaching you globally recognized degrees – the quality of the teachers and the programs on offer are world class.

Studying at Murdoch University Dubai isn’t just about learning in your chosen field. It’s also about exploring new ways of thinking, discovering different perspectives and finding ways to make a difference. We’ve got the support, facilities and flexibility to help you gain the skills, knowledge and life experience you need to reach your goals.

## Did you know?

Dubai is hosting the World Expo 2020 that will be attended by almost 200 countries! The staging of the world fair and the preparations leading up to it are expected to result in 277,000 new jobs, an injection of nearly \$40 billion into the economy, and an increase in visitors of at least 25 million and up to 100 million.\*
