

JÖNKÖPING UNIVERSITY

A young woman with long, straight brown hair is shown from the chest up, looking slightly to her right with a thoughtful expression. The background is a night-time aerial view of a city, with lights from buildings and streets. A large, modern, circular building is prominent in the lower right. The entire image is overlaid with a vibrant, multi-colored light effect consisting of diagonal streaks in shades of purple, pink, blue, and orange.
