

A group of four diverse university students are posing for a photo on a wooden walkway. From left to right: a Black male wearing a red Brock University sweatshirt and blue jeans; a white female wearing a grey Brock University sweatshirt and blue jeans; a white male wearing a blue Brock University zip-up and dark blue pants; and an Asian female wearing a blue Brock University sweatshirt and dark blue jeans. They are all smiling and looking towards the camera. The background features the powerful, white water of Niagara Falls cascading over a rocky cliff face, with some greenery on the upper slopes. The sky is overcast.

Brock University's messiest tradition, the annual Homecoming Grape Stomp,

is a signature event that draws students in and instantly connects them to campus life.

Sport, recreation and wellness

Healthy minds and healthy bodies go hand in hand. Brock Sports and Recreation offers students endless ways to stay active – from state-of-the-art facilities to cheering on the Brock Badgers sports teams. The Walker Sports Complex features the award-winning Zone Fitness Centre, a 15,500-square-foot facility named the winner of the National Intramural-Recreational Sports Association Outstanding Facility Award.

With more than 8,500 students participating in intramural leagues each year, sports and recreation are among the most popular ways to build friendships, get exercise and experience the energy of campus life.

Undergraduate courses are offered in:

September, January or May terms available.

Undergraduate and graduate program availability is subject to change.
