A LEADER IN UNIVERSITY TRANSFER

TRANSFER TO TOP U.S. UNIVERSITIES

Through our 2+2 program, students take the first two years* of their bachelor's degree at Green River and then transfer to a university to complete their four-year degree.

**Depending on assessment and placement, student may need to take non-transferable, developmental classes and the program may take longer than two years.*

EXCELLENT TRANSFER RECORD

Our students have been admitted to many top universities including:

- Brown University
- California State University
- Columbia University
- Cornell University
- Indiana University
- Johns Hopkins
- Purdue University
- UC Berkeley
- University of Pennsylvania
- University of Washington

INDIVIDUAL TRANSFER PLAN

A key to success at Green River and beyond is the individual transfer plan. Students work with their assigned advisor to develop a plan that includes student's major, destination transfer universities, and Green River course plan.

MORE THAN 100 PROGRAMS OF STUDY!

You can prepare to transfer to almost any major at Green River College. Here are **over 100 majors to choose from.**

- Information Technology
- Psychology
- Art Design

HIGH SCHOOL COMPLETION

FOR HIGHLY MOTIVATED STUDENTS

In Washington State, qualified high school students can skip up to two years of high school, take university classes at a college, and receive dual credit for their high school diploma and a two-year college associate degree. **International students must be 16 years old in order to attend Green River College.** This process can save a student one or two years in earning their bachelor's degree. In addition, students will have the support from a dedicated team on our staff.

SAVE TIME & MONEY

Get a Washington State high school diploma plus earn transferable university credit at the same time. Take classes that count for both high school and university transfer! Program typically requires no additional time, and students can receive their High School diploma before their transfer degree.

DUAL DEGREES

Earn two degrees for the price and time of one. Graduate in just two years with a high school diploma plus a university transfer associate degree. Depending on assessment and placement, students may need to take non-transferable, developmental classes.

FAST TRACK

Enter college before completing high school and graduate from university at least one year earlier than your high school classmates.

COMPETITIVE ADVANTAGE

Apply to top universities, including the University of California schools, as a transfer student and skip the SAT and ACT tests.
