

**SJSU** SAN JOSÉ STATE  
UNIVERSITY

## INTERNATIONAL GATEWAYS

Experience American university life in Silicon Valley!  
**Semester at San José State University (SAS)**

## What is Semester at SJSU (SAS)?

A unique opportunity for international students to enroll in one or two semesters of full-time undergraduate or graduate study at San José State University.

As an SAS student you can:

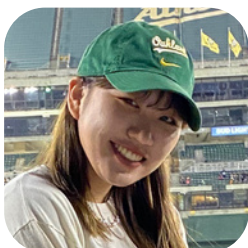

- Enroll in 12 units of undergraduate study as an F1 student
- Enroll in 9 units of graduate study (200 level) for eligible applicants
- Receive an official SJSU transcript with your earned course credits
- Transfer earned course credits to other colleges or universities
- Access guest lectures from entrepreneurs and technology industry experts from Silicon Valley

SJSU offers courses in over 145 areas of study. Visit [sjsu.edu/classes](https://sjsu.edu/classes) for a complete list of SJSU courses. Please note that course enrollment is dependent upon space availability.

## Popular Courses

- Startup Founders and Funders
- Introduction to Entrepreneurship
- Python Programming for Non-Majors
- Hybrid and Electric Vehicle Fundamentals
- Fundamentals of Human Resource Management
- Design in Society
- Public Speaking
- International Marketing
- Sales Management
- Energy and Environment

## Student Testimonials

**Risa Oha**  
**Country:** Japan

The professors at SJSU are very kind and helpful. In the Hospitality Management and Event Management classes, I was able to attend lectures by people who manage events for companies such as Google and Cisco. SAS is awesome! The campus is beautiful, and the SJSU students are also kind and very creative thinkers, so I learned a lot from them not only in class but also in group work. I'm glad I chose SJSU as my study abroad destination.

**Gustav Riber Skou**  
**Country:** Denmark

Studying at SJSU has been one of the best decisions I have ever made. All the people I have met on and around campus are easy to talk to and helpful as well. Also, the diversity in the classes is something I really like because back home in Denmark, I would never get the chance to work in a group with people from around the world.

## Program Dates

**Spring Semester:** January – May

**Summer Semester:**

- June -July (five weeks)
- June – August (ten weeks)
- July – August (five weeks)
