

Develop World-Class Project Management Skills for a Global Career.

PROGRAM BENEFITS

- Curriculum fulfills the required Project Management Institute (PMI) educational hours to prepare for the PMP or the CAPM certificate exam.
- Acquire the skills to plan, execute, and complete complex projects within various types of organizations and industries.
- Experience a multi-cultural classroom environment and learn the nuances of project management and process improvement from a global perspective.
- Complete a direct-studies project with real-world implications.
- Lean Six Sigma Green Belt course available for an additional cost.
- Combine this 2-quarter certificate with a 1-quarter specialized certificate to apply for Optional Practical Training (OPT), and work in the U.S. for one year, after three consecutive quarters of study.
