Welcome to UW-Milwaukee

UWM IS A LARGE, PUBLIC RESEARCH UNIVERSITY in the city of Milwaukee in the state of Wisconsin. You'll find award-winning research, a diverse campus community, personalized education, career-building programs and faculty who are expert scholars in their field. Plus, UWM has strong ties with other regional and international universities, professional organizations and global corporations.

Academics

Choose from 105 bachelor's programs and 108 graduate programs. Hands-on learning and faculty-mentors are an integral part of the UWM experience.

Research

UWM is an R1 research university — a prestigious designation from the Carnegie Classification of Institutions of Higher Education.

Community

Although UWM is a big university, campus is small and compact, so it's easy to get to know people. There are also 300 student clubs to explore.

Christine

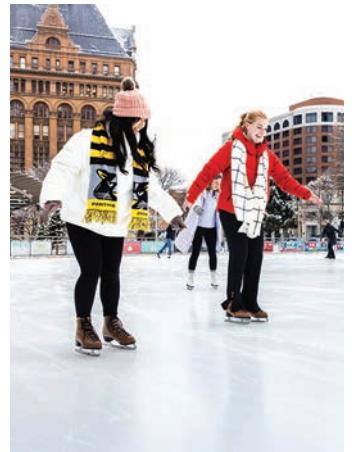

Music, Master of Music
Ivoti, Brazil

Why I Chose UW-Milwaukee

"One of my teachers in Brazil recommended UWM because of a specific violin professor here. I did a trial lesson with him and it was amazing! My violin performance improves every semester."

Getting Around the City

"I walk everywhere. I really love walking along the lake — that there's so much nature in the city really surprised me. The transportation options here are really good, too. There are bikes you can rent, and UWM has a free shuttle for students."

Campus is in the heart of the city. Enjoy Milwaukee in every season from ice-skating in Red Arrow Park to biking around our East Side neighborhood.

Get to Know Milwaukee

MILWAUKEE IS THE LARGEST CITY IN WISCONSIN with a regional population of 1.5 million people. If you ask a local to describe what they love about Milwaukee, they'll probably say: scenic lakefront, historic architecture, welcoming community, breweries and year-round festivals.

Center of Business

Milwaukee is Wisconsin's hub for business, industry and technology. Six Fortune 500 companies have their headquarters in the metro area.

City of Festivals

From Germanfest to Mexican Fiesta, Milwaukee loves to celebrate. The city also hosts Summerfest, one of the world's largest music festivals.

Our Neighborhood

You'll find the main UWM campus on Milwaukee's Upper East Side, a quiet, residential neighborhood with grocery stores and coffee shops.

60+

festivals and events each year

5+

square kilometers of lakefront parks and beaches

Vy

*Biological Sciences, PhD Student
Ho Chi Minh City, Vietnam*

Why I Chose UW-Milwaukee

“The biggest reason is that UWM has a lot of research and funding opportunities. I also liked that it's in a city but feels safe. I work late in the lab and use UWM's free shuttle service to get home.”

My Research

“Our lab is working on ways to treat fire blight, which affects apple trees. Antibiotics aren't well-regulated in Vietnam and agriculture is negatively impacted. It makes me happy that I'm doing research that could help one day.”

English Proficiency

English Proficiency Requirements

	TOEFL iBT	IELTS	Duolingo
Bachelor's			
Regular admission	79	6.5	120+
Regular admission with English placement	65-78	5.0-6.0	85-115
Conditional admission	0-64	0-4.5	< 85
Master's/PhD			
Regular admission	79	6.5	120+
Dual admission	68-78	6.0	95-115

English for Academic Purposes

Undergraduate English for Academic Purposes (EAP) courses

EAP courses are required for students admitted with English placement. Classes are divided into two categories: reading and writing courses that lead to fulfilling a general education requirement for writing; and courses that help improve grammar, speaking and listening skills.

One graduate EAP course is required for graduate students admitted with Dual Admission. The course focuses on the skills where the student's TOEFL, IELTS or Duolingo subscores are the lowest — either speaking/listening or reading/writing.

Microsoft AI Co-Innovation Lab

UWM's Connected Systems Institute will house the nation's first manufacturing-focused AI Co-Innovation Lab with Microsoft.

Student Employment

WORK UP TO 20 HOURS PER WEEK on campus while school is in session. Off-campus opportunities for international students include:

Curricular Practical Training (CPT)

Off-campus work authorization after one year of study for students with an F-1 visa.

Requirements: Faculty member recommendation and employment that grants academic credit.

Optional Practical Training (OPT)

Employment authorization in your field of study before or after degree completion. (This is the most common option for F-1 students.)

Requirements: OPT authorization is granted by the U.S. Citizenship and Immigration Services (USCIS).

Optional Practical Training STEM Extension

A 24-month extension after initial 12 months of Optional Practical Training (OPT).

Requirements: A STEM-designated degree and employment with a company registered in E-verify. Full requirements: uwm.edu/cie/opt-stem-extension

Pranay

*Computer Science, MS
Andhra Pradesh, India*

Why I Chose UW-Milwaukee

"After working for a year in the computer science field, I realized there were gaps in my knowledge. I started contacting universities, and the chair of UWM's engineering department got back to me right away. And after I researched more, I saw that UWM is an R1 university."

Career Preparation

"UWM has given me the right set of tools for when I graduate and enter the job market again. I'm now doing a data science internship at Kohler. UWM prepares you for that kind of standard."

Living On Campus

All UWM residence halls have kitchens, fitness rooms, laundry, 24/7 security and a free shuttle service to and from main campus. Two popular residence halls for international students are:

SANDBURG HALL

Freshmen Students & Up

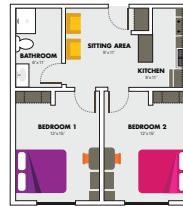

Classic, suite-style residence hall located in the middle of campus. Building amenities include a study space, cafeteria and movie theater.

KENILWORTH SQUARE APARTMENTS

Third-Year Students & Up

Modern, private residences for upper-level students and students 21 and older, located on Milwaukee's vibrant East Side.

Living Off Campus

Students who aren't new freshmen can also choose to live off campus. UWM's Off-Campus Resource Center offers assistance for students searching for apartments and roommates, navigating leases and the moving-in process, and much more. Learn more at: uwm.edu/off-campus-resources

Tuition and Financial Aid

Scholarships

International undergraduate students may be awarded up to \$6,000 per academic year (renewable for up to four years). Learn about the International Student Scholarship and apply for additional scholarships at: uwm.edu/scholarships

Assistantships

Graduate students have the opportunity for tuition remission and a stipend via assistantships. Explore all four assistantship options at: uwm.edu/assistantships

Estimated Tuition & Fees 2024-25	Undergraduate Students	Graduate Students	Business Graduate Students
Tuition (2 semesters)	\$20,772	\$24,533	\$28,680
Segregated & International Student Fees (2 semesters)	\$2,026	\$2,026	\$2,026
Living Expenses (12 months)	\$15,000	\$15,000	\$15,000
International Student Health Insurance (12 months)	\$1,958	\$1,958	\$1,958
Estimated Total	\$39,756	\$43,517	\$47,664

International Student & Scholar Services (ISSS)

INTERNATIONAL STUDENTS AT UWM ARE SUPPORTED through International Student & Scholar Services (ISSS) in the Center for International Education. Not only does ISSS host fun events that bring UWM's international student community together, they also provide support throughout your studies at UWM. uwm.edu/cie/students

Resources

ISSS provides visa and immigration status advising to make sure that your time at UWM runs smoothly.

Student Mentors

Current students are matched with new international students to help them acclimate to the U.S. and UWM.

Connections

Meet other international students at ISSS welcome events, pizza parties and other celebrations.

Student Support

Tutoring Available

The Student Success Center offers tutoring for undergraduate students. In the Writing Center, undergraduate and graduate students can meet with a trained tutor for writing help in any subject.

Career Prep

Get help with cover letters, resumes and interviewing skills at the Center for Student Experience and Talent.
