## Why International Students Choose UWM

**RESEARCH:** UWM is one of the U.S.'s top 187 research universities, as recognized by the Carnegie Classification of Institutions of Higher Education.

**COST:** UWM offers an affordable experience. Tuition is reasonable and Milwaukee has a low cost of living, especially compared to coastal cities.

**CAREER OUTCOMES:** UWM students are equipped with the skills and experience demanded by today's global workforce. 650+ international graduates from UWM currently work in the U.S. utilizing Optional Practical Training (OPT).

### ACCREDITATION:

- UWM's Lubar College of Business has been continuously accredited by AACSB International for more than 50 years; less than 5% of the world's business programs have this accreditation.
- UWM's College of Engineering and Applied Science programs are ABET accredited.

**FAMOUS ALUMNUS:** The Chairman and CEO of Microsoft, Satya Nadella, is a UWM graduate (1990, Computer Science M.S.).
